Dear Parents and Guardians,

In order to streamline parental permissions in 2020, parents are asked to fill in the attached page to authorise student participation in learning experiences held off school grounds and for the use of student images for the 2020 calendar year.

Leaving School Grounds

Students from 3 Year Old Kindy through to Year 6 are taken off-site for a variety of educational reasons. This may include, but is not limited to:

- Classroom excursions
- Sporting events such as the St Benedict's Athletics Carnival or Interschool Cross Country
- Learning experiences held at Shirley Strickland Oval
- Special events/ceremonies such as the Catholic Schools Performing Arts Festival or Remembrance Day Service.

Depending on the learning experience, students may travel to and from venues by bus or on foot. Parents will be informed of any outings by the child's classroom teacher/specialist teacher.

Use of Student Images

Video or photographic images of students may be used for a variety of purposes such as assessment and reporting or promoting St Benedict's School. We require parental permission for the school to publish images and/or samples of student work. If you give your permission, the school may publish images of your child and/or samples of work done by your child in a variety of ways such as, but not limited to, on the school website, school Facebook page, local newspapers and in your child's or other children's Digital Learning Journeys (DLJs). Your child's work/image may appear in another student's DLJ where group work/collaborative learning has taken place. If published, third parties would be able to view the photographs and work.

In all instances, the privacy and safety of the children are paramount.

**No child would be named with their image or with their work sample &
every care will be taken to keep your child's identity safe.**
